

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant wishes to thank Examiner Nguyen for conducting a telephone interview with Applicant's representative, Patrick Reed, on February 4, 2008. Applicant appreciates Examiner Nguyen for her time and consideration.

During the interview, Applicant's representative presented arguments distinguishing the claims from the Arbel, Pershan and Rogers references.

Proposed claim amendments for clarification were also discussed during the interview. Applicant's representative understands Examiner Nguyen to tentatively agree that the claims were drawn to subject matter that was different than the cited references, and that the claims, amended for clarification as proposed during the interview, would be allowable over at least the references cited, subject to further search. Accordingly, without conceding the propriety of the rejections and in the interest of expediting allowance of the application, Applicant herein amends claim 28 in the manner discussed during the interview.

Claims 28-48 are believed to be allowable for at least the reasons discussed during the interview.
